BOAT INTERNATIONAL MAGAZINE

“OFFERING COMFORT IN STATELY SURROUNDINGS, *TIVOLI* IS WELL-EQUIPPED FOR LONG DISTANCE CRUISING.”

Your ship has come in.

On three deck levels, you'll find ample
 [*Perfection in every detail*] places for stylish
 entertaining, and

intimate spaces for quiet diversion.

A spiral staircase leads gracefully from one to another, while rich mahogany raised paneling and distinctive decor

create an atmosphere of subtle

sophistication. The saloon, with its big couches, Bose entertainment center, bar, and wine cooler, is especially welcoming.

Glass doors lead from here to the covered cockpit, where a settee and easy chairs surround a table just right for breakfast or lunch alfresco. The swim platform and

deck shower are just a few steps away.

Also on this level, a cushioned banquette forward of the wheelhouse is a favorite perch when *Tivoli* is underway.
